

A requirement of CPS re-certification is to have 5 seat checks verified by a certified instructor. Seat checks may be done any time during your certification cycle. Here is a list of Wisconsin CPS certified instructors that can verify seat checks. It is up to you to make arrangements to meet with an instructor and to have seats verified. WI instructors will verify 2 seats checks per event/day. For an updated list of instructors visit www.wcpsa.com click on re-certification. Instructor number starts with the letter i.
