

# Wisconsin Information Network for Safety

These items may be used by any organization to promote the use of safety belts and other occupant protection systems at parades, exhibits, conferences, schools, and special events. Items must be returned in the same condition as when borrowed. Contact WINS for more information. All requests will be filled on a first come, first serve basis. Also contact WINS for ideas on peer education programs with Buckle Bear, parade ideas and programs for elementary schools with Vince and Larry, car safety seat checkups and other types of displays and presentations. (Fax loan form to 715-346-0003) [www.wcpsa.com](http://www.wcpsa.com)

### Items available for loan

Photo	Description	Date Needed
	<b>Life size Vince and Larry costumes</b> - We're Vince and Larry, NHTSA's crash test dummies. <i>"You can Learn a Lot from a Dummy,"</i>	
	<b>Life size Buckle Bear Costumes</b> - One piece zip-up suit with detachable head. <i>Successful for pre-school and elementary age children.</i>	
	The <b>BUCKLEBEAR Lap Puppet</b> is easily presented to audiences of any size and comes with scripts and audio tapes. Bike and car seat safety scripts available.	
	<b>Life size Clicket the Cricket Costumes</b> - <i>Recommended for a grade school/junior high student or petite adult. Fun to wear at parades or events. Campaign to remind everyone to buckle up.</i>	
	<b>Fatal Vision Goggles</b> - <i>Fatal Vision® is a training tool used to vividly demonstrate the concept of impairment and the dangers of impaired driving. A sobering view of what impairment can do.</i>	
	<b>Toy Convincer</b> - Wood ramp, toy van, with mother and child figures. This serves as a great tool to demonstrate what occurs with and without a restraint.	
	<b>Check-up event banners</b> - <i>Need visible signs for your next event? WINS now has 2 available for check-out. 42 inch square vinyl banner draws attention to your check-up event. Grommets on each corner allow you to secure the sign.</i>	
	<b>Egg-helmet</b> - Pretend your head is an egg! Would you like to keep your "egg head" from breaking! Would you like to see how a helmet can protect you? Try an experiment with this egg helmet!	<b>Over -&gt;</b>
